E. SESSION SUMMARY:

Individual is near water and a valley. There are green rolling hills and big large brown stones near a structure where the individual is working. The structure is very large and is square and gray. The structure is very old. The individual works in the large structure that is highly guarded. Sometimes the individual has three young guards around him. The individual is concerned about politics and business. There is a lot of old money around the individual. The individual may be in the process of trying to break away from old principles which may cause some confusion in the future.

It seems that the individual may be in line for some type of promotion.

The individual may be accused of something which he is not guilty.
